## AWARDS

### UNIVERSITY

Honours Dean's List All Terms

President's Scholarship of Distinction

### SCHOOL

Governor General's Academic Medal

Tech Wave Communication Scholarship

Euclid & CCC Certificate of Distinction

Highest Average (Computers, Math & Science)

## EXPERIENCE

### GOOGLE

Software Engineering Intern

Sep 2015 - Dec 2015 | Display Ads

- Developed for a high revenue, backend server-side system that serves **billions** of queries per day.
- Redesigned a critical component in the ad-serving infrastructure to increase speed and performance.
- Implemented my design in **C++11** and wrote unit tests with at least **80%** code coverage.
- Presented my design to the Waterloo Ads Serving Infrastructure team.

### GOOGLE

Software Engineering Intern

Jan 2015 - Apr 2015 | Shopping Now

- Performed data analytics and visualizations on big data to monitor user activity for Google Shopping.
- Created a **MapReduce** pipeline using **FlumeJava** to calculate aggregated statistics from **billions** of user data entries.
- Wrote and optimized **Dremel** queries that extract statistics from various tables to power dashboards, which are used by several teams within Google Shopping.

### TUTORJAM

Software Developer Co-op

May 2014 - Aug 2014

- Created the entire application process used by **thousands** of tutors to apply.
- Developed, using **Java EE**, an end to end system allowing admin to edit, remove and publish tutor profiles from SchoolTutoring to the online tutor catalogue on WordPress.
- Added features on YuJa such as enabling users to upload audio files to learning channel and sending periodic digest emails.

## PROJECTS

### SKIP THE WAIT

A web tool that allows patients to queue in before physically going to a walk-in clinic.

### TRANSIT CHECK

A community driven solution that informs users of the situational delays in TTC.

### WHITEBOARD

A web platform for developers to search and connect with other developers.

### BUBBLESCAPE

An android game that involves helping a duck in a bubble escape from underwater.
